### Library Friend,

Since its founding in 1958, the Rebecca M Arthurs Memorial Library has become a vital **PLACE** for education, and access to information and technology. This is the one place in a community where everyone, regardless of age, educational background, or financial situation, can come to be served equally and to have free and open access to information.

Although there have been many changes, we have not waived in customer service or attention to detail. We remain the community reading **PLACE**, with more than 25,000 reading materials including magazines, newspapers, large-print, audio and Ebooks in fiction and nonfiction for children, teens and adults. Our services to you are different, not less. In addition to our regular services, we offer programs virtually, increased online resources and curbside service. Programs like a local author book signings, the poetry contest, and children's programs were moved outside. We are also able to provide free WiFi 24 hours a day in our parking lot.

I know this year has been difficult mentally and financially for many businesses. With the constant threat of major funding cuts from the state, it is a comfort having the financial support of community. Anything you can contribute will help us reach our goal of \$18,000, achieve our mission, and make the library the **PLACE** for you, your family and your community.

Thank you for your generosity and support,

Janine Strohm, Library Director
